Our Service Charges

Baillieston Community Care is a registered charity and a non-profit making organisation.

Our Care at Home Service receives no grant funding therefore, we charge for

the services we provide. We are able to provide personalised support packages to suit your individual budgets. Any enquires regarding service charges should be directed to our Operations Director. All money raised contributes to staff and service development.

Our Assessment Procedure

Upon receipt of referral, we will make an appointment with the you to introduce the company, identify your needs and suitability, and establish your personalised care package through a comprehensive care assessment.

Our Services include:

Personal care

Assistance with getting out of bed, washing, bathing & dressing. We also provide assistance with toileting including catheter, colostomy and continence care. Our evening services comprise of assistance with getting ready for bed, tuck-in and overnight stay.

Well-being support

Services include shopping, preparation and cooking of meals, management of prescribed medicines and prescription collection. We can also support with visits to GP and other health professionals.

Social support

Services include befriending and sitter service where staff provide physical and emotional support to clients and promote and encourage social networking.

Domestic Support

Our Support Staff are able to offer assistance with household tasks such as:

- Vacuuming & Dusting
- Laundry
- Kitchen & bathroom hygiene
- Ironing
