Client Social Evening

Due to the unprecedented success of our inaugural client social evening we held in December, we are now planning the next event which will take the form of a 'Spring Fling'. We are hoping to arrange this at the end of April, and we will confirm further details over the next few weeks.

Service User Forum

Our next service user meeting will take place on Wednesday 13th April 2016 between 11:00am & 1:00pm. If you would like to come along and join us to hear more about what's happening within the organisation and contribute to future developments, then please give us a call.

Recent New Appointments

I am delighted to announce that Stacey Patrick has been appointed Care Co-ordinator and will take up the post on Monday 14th March 2016. We wish Stacey all the very best in her new role.

We would also like to announce the appointment of 3 new Team Leaders to our Care at Home Service. The successful candidates are Catherine Main, Elaine O'Brien and Bernadette Devlin who will take up their post on Monday 29th February 2016. We are all very excited to have them on board, and are once again proud to be able to offer these opportunities to our staff as a result of continued growth and success.

Baby News!

It is with great pleasure that we can announce that Rosalind Innes our Home Care Supervisor gave birth to a beautiful baby boy on Friday 12th February 2016 at 12.45pm. Rosa and her partner James have named him Oliver James and we are all looking forward to meeting mum and baby in the next few weeks.

New Staff & Leavers

We would like to extend a very warm welcome to the following staff who have recently joined our care at home team:

*Anne Marie McLean, Charlene Wason,
Morganne Jenkins, Linda McCulloch & Sharon Hendry*

We would also like to say farewell to Margaret Bryce and Nicole Johnson and we thank them for all their support to the organisation.

RECRUITING NOW

We are continuing with our recent recruitment drive for additional Home Support Workers which so far has been very successful and we hope to add even more members to the team in the coming weeks. We have extended our marketing of vacancies to include a banner outside the main office, advertising boards at Baillieston Train Station and various internet platforms and social media presence.
